THE NEW ESSENTIALS

What does it take to feel refreshed? A brisk walk, a power nap, your favorite playlist—or perhaps a wardrobe staple that simply feels right. This year, we carry that same spirit into our catalogue. It's not just about updating our designs — it's about reinventing how we approach comfort, style, and sustainability.

Every detail, from fabric innovation to fit and finish, is chosen to help you feel renewed and confident—whether you're clocking in at work or stepping out for the weekend.

PrimeTech™

So what's new this year?

Denim goes with almost everything, if not every style. It will make you look however you like it to be with whichever things you pair it with - such is the versatility that denim offers.

D02

Short - Sleeved Denim Shirt | *Unisex*

If there is an inevitable piece of clothing one must possess at least once in his or her entire life, it has got to be a denim piece - be it a pair of slouchy jeans, a boxy structured grungy denim jacket, or an oversized denim over shirt you stole from your boyfriend last week. As classic as they are, our denim shirts are built to last, both the quality and styles.
